

Modern Methods in Biostatistics and Epidemiology

HEALTH MEASURES

May 25, 2022

The Université de Corse Pascal Paoli has implemented new measures regarding coronavirus' transmission risks:

- ✓ A complete vaccinal pass is not required to access the Summer School (University campus);
- ✓ Participants and speakers don't have to wear masks indoors but can if they wish to;
- ✓ Classrooms, offices and meeting rooms have to be ventilated for 10min every hour.

PLEASE NOTE THAT THESE MEASURES MIGHT CHANGE OVER TIME.
